Paula - I am going, as we discussed the group wanted to discuss the work on the R n B site. Generally it's not worth two of us going and we don't have any major decisions. We can talk Tuesday.

Are either of you planning on going to Silverton next week? It appears that there are 2 items on the agenda that we're heavily involved in. Or can we call in?

Dear Stakeholders – Attached is the agenda for our Feb. 20<sup>th</sup> meeting in Silverton (1:30 pm). We thought we might get a larger turnout than usual, so we are meeting at Silverton Town Hall.

Also, here is a link to an updated Good Samaritan video that Tom Schillaci has produced for us. It describes the Good Samaritan liability issue and the need for legislation. Here is the link:
